

Plan the whole travel day

Count the whole travel day.

Estimate each part separately before committing to an overnight. Leave some time unassigned so one longer stop does not force every later decision.

Route / destination

Dog(s)

Date

Check each item. Use the line below it for details.

☐ **Driving time**

☐ **Dog stops**

☐ **Meals and fuel**

☐ **Loading and unloading**

☐ **Check-in and settling in**
